* .		for is were errersed	by Intourist, th	e trin from
i pale	 All tickets and reservations for us were arranged by Intourist, the trip from Pakut of fiftis being part of our filmerury approved by Soviat officials. We originally were scheduled to depart from Baku in early afternoon on 4 Oct 55 			
-	on a later train which had better accommodations. Departing from Baku at about his /oto/ oldlook, we traveled south at a smeet of 25-30 moh. reaching			
(t.)	but due to a change in train conductat we ware calleged and nothinly objarved on a larer train which had better accommodations. Exparting from Salu at about six Min/ o'clock, we traveled south at a speed of 25-30 mph, reaching the Caspian Sale before dark. After stepping at Alyat, our direction of travel changed from south to rest, At 7:10 o'clock exactly ten minutes after leaving hanged from 20 minutes before our navival at Adahthout (Kasi-legoman) on of the party who was in an adjoining compartment rushed in and exclaimed "I saw it! I just caw a flying saucen!" We had been talking and had not looked outside for some time. When we turned our attention to the window, we did not see authing unusual as the light was on in the comparison; and it was the light was on in the comparison; and it was the light was on in the comparison; and it was the light was on in the comparison; and it was the light was on in the comparison; and it was the light was on the comparison; and it was the light was on the comparison; and it was the light was the same and the same are same and the same and the same are same and the same are trained as a same and the same are same are same and the same are same are same are same are same are same and the same are
